Mr Wm. B. McKechnie Jr.
25 N. Montgomery St.
Trenton N. Jersey

Dear Mr McKechnie:

I am writing to confirm our telephone conversation, at which time I agreed to bring The Eagles to Trenton to play a night ball game Wednesday July 4th.

Let me know how late you can start the game, not before 8.35 PM. If it can be started later, it will be better.

The terms are a flat guarantee of \$250.00.
Two Hundred Fifty Dollars.

If the weather is bad please call me at Ruppert Stadium, or I will call you. We will be playing there in the afternoon.

I hope everything works out fine. I am very anxious to play several games in Trenton this year. and will try and arrange them in New York next week.

To whom shall I send publicity? Will the newspapers use pictures or mats? Send me address where to send this material. Will also appreciate confirmation of the date.

Very Truly Yours

PS

Tell whoever is promoting the game, I suggest they use at least 150 window cards in the colored neighborhood. Dory Larrimore distributes them for me in Trenton. I have mine made in Philadelphia. If the promoter wants me to have them made, send me the copy to go on them.
